

Athla Capital Management

Cookie Policy

Introduction

Athla Capital Management (**Athla, we** or **The Company**) collects some data when you use our website so that it functions correctly and is secure.

A cookie is a small text file which is sent from the website to your computer. It contains information about you as a user on the website. Different cookies have different functions from tracking popular pages to displaying the correct version of the site for your browser.

- **Session cookies** are only stored for the duration of your visit to the website and will be removed when the browser window is closed.
- **Permanent cookies** are stored for a period of time and are used to identify you when you return to the site.
- **First party cookies** are set by the website you are viewing.
- **Third party cookies** may be set if external applications or content has been used. If this site has code from a Third Party site, the Third Party site may set Third Party cookies on your computer when:
 - the page with the code is viewed, eg Asset tv, YouTube, AddThis.
 - you click the link to the Third Party site eg Facebook, Twitter.

What cookies may be on this site?
